Conceptualized and Organized by

Recent Developments in European IP law

4.30 pm – 5.30 pm | Lecture Theatre, 900 NCL Innovation Park

The talk will be delivered by

Ms Punita Shah
Patent Director ,
HGF Intellectual Property Specialist

Specialising in the fields of biotechnology and chemistry, Punita has a broad range of experience, handling subject matter including novel genes and peptides, genetic based therapies and diagnostics, and point of care assays and devices.

Her practice encompasses drafting patent applications and overseeing their prosecution in the UK, Europe and overseas, opposing and defending granted patents before the European Patent Office, advising on infringement and validity issues and handling pre-flotation or licence agreement related due diligence.

Dr Jonathan Atkinson
Partner,
HGF Intellectual Property Specialist

Jonathan has a degree in chemistry and a doctorate in synthetic chemistry from Oxford University. He is a Fellow of the Royal Society of Chemistry and a Chartered Scientist. Jonathan is a member of the Board of HGF Limited and is the head of the Asia Team at HGF.

Jonathan's practice involves providing commercially-focused advice on patent origination, patent strategy and portfolio management, licensing and due diligence, prosecuting and defending European patent oppositions, and conducting patent litigation in the UK and Europe.

Free talk but registration is mandatory; Register here: <http://bit.ly/2jGIX4Z>
