Comments and Suggestions

Was good but more Precise talks are preferred
More Indian examples of Innovations
The Constrant is the major problem for such wonderful sessions.pls keep such sessions for full day.
No suggesstions. Very helpful talks.
Overall good intraction with venture,fully satisfied with event,Hope in Venture same programme.
Pls provide actual document(file data for good understand.)
Such symposia for patents& Ip should be organised from time.
A total new experience for me. Satisfied.
Talks were good & Knowledgable,But there was miscommunication about the timings.
There were many questions were answered,so expecting whole day workshop on open Innovation.
Keep the good work going.
More clarity in the event Details.
