Comments and suggestions :- Please include if the talk met your expectations.		
	1	Yes, Offcourse the talk met my expectations. Event the topics covered were good and innovative and informative. This event provided me very good knowledge regarding basic rules of patents which I am sure will definitely give directions for writing a patent in future.
	2	We have already studied IPR as subject but still learned many new things.
	3	The seminar is informative and useful for me in future.
	4	The talk on Biosimilars would have been explained in more details and more examples about iy could have been given. Overall talk was excellent in content and presentation.
	5	I liked the event and was helpful.
	6	Yes. Awareness programes at University level are required.
	7	Time management should be done properly.
	8	It was very elaborative and useful talk about patenting and IPR.
	9	Please hold workshops on sundays. Saturday being working day si difficult.. Alternatively hold workshops in two sessions - Saturday afternoon and Sunday afternoon.
	10	Got to learn many practical aspects of Biotech patents.
	11	Thanks a lot for a very nice introduction to patents. A very good presentation depecting exact requirements of filing a patent.
	12	The talk was informative. The highlight was the recent information that was included. Hence, it was enlightening.
	13	More interactive sessions involving case studies needed.
	14	Session could be made more interactive as in more group activities could be included. Talks were a bit too long.

15	I was satisfied with the event. It was very useful for me.
16	Very good and interactive section which gives us good knowledge about IPR
17	Good try to give information about IPR. Really helpful
18	Srividya maam and Nitin maam were the best speaker.
19	Overall event is very informative. It will surely help me further.
20	Workshop provided a lot of valuable insights about IPR.
21	Overall program was well organised
22	Yes the talks were very useful, ot covered all the topics without making it complex.
23	It was very knowledgeable, in depth. More case studies required.
24	The event was really very good and informative , keep it up
25	It was indeed an excellent compilation on IPR. Right from basics to case studies.
26	Never thought IPR lecture will be so interesting.
27	There can be separate Q/A sessions.
28	Very good and interactive section which gives us good knowledge about IPR
29	Very good progress infact such talks should be organised frequently

How do you think can these workshops be improved further?	1	Smaller Sessions
	2	Please bring in more speakers with greater knowledge in IP
	3	More interaction with the peroson who have applied for patents, so as to get idea about the process.
	4	Arranging more no. of speakers.
	5	Inform to all institutions related to the workshop subject.
	6	Such type of workshops need more time for interaction and explanation. Exercises also necessary.
	7	By increasing topis and day of discussion
	8	Much more case stidies and talks by entrepreneurs or scientists turned as entrepreneur
	9	By covering more examples.
	10	Bu participation of audience.
	11	Live patent forming experience if any.
	12	Divide into groups and create situations involving patents.
	13	Giing more effecyive speakers.
	14	Involve more quality speakers.
	15	Going int the depth for these interested , fundamentals should be cleared.
	16	By increasing topics of discussion
	17	Exercises for the individual participants.
	18	Organise more workshops for 2 days duration
	19	Please invite some industry people to share their experience in patenting.
	20	There is no need for any changes
