Introduction to Pune Inventor's Network (PIN)

The Pune Inventors Network is a forum for inventors from Greater Pune region to meet, interact, share experiences/ learning with each other.

The Pune Inventors Network is hosted by IP Facilitation Center - which is a non-profit project of the Venture Center (technology business incubator in NCL campus) and Ministry of Micro, Small and Medium Enterprises, Government of India.

Workshop Outline

- Mr Deepak Kumar will share insights in to Technology Refinement & Marketing Program, funding scheme by TIFAC-DST for individual innovators who wish to commercialize their technologies via licensing. He will discuss a couple of successful cases of tech transfer by other TREMAP centers and take us through the models implemented by these centers. He will discuss different strategies devised by that particular TREMAP center for commercialization of that product.
- A talk by Mr Manoj Kothari about 'Art of Productization i.e. journey of converting an idea into prototype into a market ready product/brand'.
- A moderated interactive session on various concepts in Intellectual Property Rights & related FAQs by Dr V Premnath and Dr Nitin Shukla Tewari of NCL Innovations
